## Tab 4: Conditions an Upload Pdf –file

Please note that It is highly recommended to prepare the "abstract" and the full proposal text off-line before starting the submission procedure. At the end of the submission procedure you will be asked to attach **one single PDF file** of the full proposal text to your proposal. Please use the general application form **available at:**

**<http://www.laserlab-europe.eu/transnational-access/how-to-apply-for-access/application-form/>**

### Proposal - Submit

1 - Project Data   2 - Applicant Data   3 - Researchers   4 - PDF upload

#### Please read carefully the following instructions: "

For the preparation of your application, please use the application form provided at [How to apply for access](#).

Please, upload one pdf version of your complete proposal (one single file, less than 1 MB). Should you not have the technical means to create a pdf file, please contact the host institution or the Coordinator's office ([laserlab.access@laserlab-europe.eu](mailto:laserlab.access@laserlab-europe.eu)) for assistance.

Herewith I declare

- that it is intended to publish the results which are obtained in connection with the present proposal in a peer-reviewed journal
- that in any of such papers the support by the European Community will be acknowledged by a statement like: "The research leading to these results has received funding from the European Community's Seventh Framework Programme under grant agreement n° 228334."
- that an electronic copy of any such paper will be sent to LASERLAB-EUROPE immediately after publication.
