

**CHARPAC Meeting, 24.11.2015, 9 a.m. – 1:30 p.m.,
Hotel NH Milano Touring, Via Ugo Tarchetti 2, Milano**

9:45 WELCOME, Luis O. Silva, IST

10:00 Victor Malka (LOA)[31.5] Report on the injection schemes studies – goals and results achieved as a joint work

10:30 Olle Lundh (LU) [31.6] Report on stability control of laser-accelerated electrons – goals and results achieved as a joint work

11:00 COFFE BREAK

11:30 David Neely on behalf of Julien Fuchs (LULI) [31.7] Ion acceleration with results of energy scaling studies for different target geometries – goals and results achieved as a joint work

12:00 David Neely (STFC) [31.8] Report on investigations of proton acceleration via TNSA and radiation pressure mechanisms – goals and results achieved as a joint work

12:30 Discussion and conclusions

13:00 Closing

LUNCH
