Status [ - Select -                          ▾ ]

Scientific Background   ⓘ

Priority 1) [ - Select -                      ▾ ]

Priority 2) [ - Select -                      ▾ ]

Priority 3) [ - Select -                      ▾ ]

## Tab 4: Conditions and Upload Pdf—file

Please note that It is highly recommended to prepare the "abstract" and the full proposal text off-line before starting the submission procedure. At the end of the submission procedure you will be asked to attach **one single PDF file** of the full proposal text to your proposal. Please use the general application form **available at:**
**http://www.laserlab-europe.eu/transnational-access/how-to-apply-for-access/application-form/**

# Proposal - Submit

| 1 - Project Data | 2 - Applicant Data | 3 - Researchers | 4 - PDF upload |

## Please read carefully the following instructions:

For the preparation of your application, please use the application form provided at How to apply for access

Please, upload one pdf version of your complete proposal (one single file, less than 1 MB). Should you not have the technical means to create a pdf file, please contact the host institution or the Coordinator's office (laserlab-access@laserlab-europe.eu) for assistance.

Herewith I declare

- that it is intended to publish the results which are obtained in connection with the present proposal in a peer-reviewed journal
- that in any of such papers the support by the European Community will be acknowledged by a statement like: "The research leading to these results has received funding from the European Community's Seventh Framework Programme under grant agreement n° 284464."
- that an electronic copy of any such paper will be sent to LASERLAB-EUROPE immediately after publication.
- that personal data provided in this application may be used according to the regulations given in the declaration on data protection of Laserlab-Europe.
